Blue Bubbles & VIP White Smoke Members (the top 2 membership tiers) have priority restaurant allocation up until 1 week/7 days before a Premiership game. These members are entitled to x3 guests per booking/i.e. table of x4.

After 1 week/7 days before a premiership game date – the online Restaurant booking system will be opened back up to ALL (all members/public/anyone – not just Smoke & Bubbles members).

This means anyone can book – or existing Blue/White member reservations can increase their table numbers/booking if there is still space/if applicable.

We do also recommend that Blue/White Members make any Restaurant reservations in advance (limited places/time slots).

RESTAURANT & CLUB OPENING HOURS

On Premiership AND Non Premiership games

*The 2nd Floor Club & Restaurant will be open for every game – both Premiership & Non Premiership (unless of exceptional circumstances).

The Restaurant will also adjust its usual opening hours & timings to fit around ALL West Ham home games – i.e. we will always open up in good time/a few hours before if necessary (to ensure more than enough dining/service time before the game commences).

Restaurant closes at 11pm at weekends as standard, so post-game diners are very welcome to join. Last orders 9pm.

*Please note - the opening/closing times may fluctuate slightly on occasion.

CAR PARK GATE OPENING TIMES & RULES

- x1 car park space per White Smoke Member – on Premiership game days.
- The Car Park will be open around the game dates/times.
- Please ensure you show your car park badge – when using the car park. (You can collect this from the main Club entry desk).
